

Training on Women Transformative Leadership

Development Wheel (DEW) organized last batch training on Women Transformative Leadership at DEW Learning Centre, Mymensingh on 26.08.2013 to 28.08.2013 under its Let Her Decide and Participate (LHDP) project supported by Oxfam. 25 women leaders of Char Anondipur, Shaheed Sayod Nazrul Islam College, Muktagacha college, Muslim Girls' High School & college and Aqua Chotrishbari Colony Women Club were participated in this training. Advocate shibbir Ahmed Liton was present as a resource person in the training. He discussed about Law of VAW, Marriage & divorce law, procedure to get justice, service provider organization & their services. Also gender, power structure, transformative leadership, group work etc. topics were covered on 3 days session. After finish 3 days training, all trainees were so frequent. They were very happy to know Law against VAW. Last day they are committed to make unity to develop them and make an acceptable position in the family and society. After Participated in women Transformative Leadership training leaders of women club said that they want to disclose all the truth about humanity, human rights, and women rights and they want to make able themselves to survive against superstition and oppression." Before receiving the training program women were not willing to talk about their problems. But now they regularly discussed about their daily life violence issues. Nasrin Ahmed, project Facilitator conducted the training session and finally she gave special thanks to all participant of this training.
