APONE Project Management training workshop at Bogra

A training workshop on APONE Project Management was held at Hotel Naz Garden auditorium in Bogra recently. Development Wheel (DEW) and Traidcraft Exchange jointly organized this training workshop. Maveen Pereira, Head of South Asia Program, Traidcraft, UK graced the workshop with her presence. There was Executive Director of DEW, Mr. Shah Abdus Salam and Mr. Shahed Ferdous, Country Director, Traidcraft Exchange also present at the workshop.

The aim of training workshop was to equip the Bangladesh and APONE project teams with the approach, skills and techniques for planning, monitoring and learning to enable them to deliver the planned results of a project, with a special focus on the APONE project. The main learning outcome were be able to identify why planning, monitoring and learning are important elements of delivering impact, be equipped with at least two skills or techniques for each of the three areas of the workshop and be able to agree to and write an action plan for the next quarter (January-March 2013)

Head of program, Traidcraft Exchange Maveen Pereira, Mr. Shahed Ferdous, country director and Mr. Shah Abdus Salam, Executive Director, DEW and Staffs of APONE project in the Project Management training at Hotel Naz Garden, Bogra
